

Attention **GMB** Members in **ASDA STORES**

March 2015

Deli, Tech Desk, Disney Proposals

Dear Colleagues,

Following discussions nationally your store has been briefed upon a proposal to make changes within your store to the Deli, GM Tech Desk, George Desk and Disney.

This is a worrying time for colleagues.

Your in store GMB stewards are trained to represent you throughout the consultation process. They can be present during all one to one meetings and also assist you to ensure a fair process is followed.

GMB national stewards will be consulting with senior ASDA management to limit the impact upon potentially affected members. We will keep you updated throughout the process.

If you are invited to a one to one consultation meeting please ensure you have a trained GMB steward to represent you.

GMB Stewards can ONLY represent GMB Members. If you are not a GMB member please speak with your GMB steward so that you can be both protected and represented throughout this process.

Your GMB Stewards contact details for this store are:-

Stewards Name:

Mobile Number:

Yours Sincerely

Keith Dixon
