## **CLOSURE OF YOUR CANTEENS**

**Dear Colleagues,**

As you will now be aware from briefings at your store that the company now plan to consult regards the closure of your canteens. GMB has not agreed to the canteen closures.

GMB is currently being consulted regards the company proposals. Along with consultation taking place at the ASDA Retail Forum, there will be other planned meetings too.

As you know the company are now formally consulting, and as such GMB members can raise their questions of concern with the GMB rep, or with their GMB Full Time Officer.

Security of employment is our number one objective for all affected GMB members, and if it comes to it redeployment into another position at your store.

We will continue to do our best, and represent our members that are affected.
