GMB YOUR VOICE IN ASDA

October 2018

## CARDINAL SECURITY UPDATE

Dear Colleagues

Cardinal Security Ltd announced that as of The 25th September 2018 it was placed into Administration and immediately acquired by Amberstone Guarding Ltd.

As you are aware back in April 2018 and following extensive meetings with ASDA, GMB were pleased to announce that the consultation for the proposed changes for Security had been stopped. This includes the changes to hours for members in Superstores.

With Cardinal Security Ltd going in administration and all their colleagues being TUPE'd over to Amberstone Guarding Ltd, shows that the GMB opposing this, was the right choice for our members.

GMB have spoken with ASDA and they have confirmed that they have had full assurances that there will be no impact on ASDA at all, which they have said appears to be the case.

GMB will continue challenging and provide recommendations on any future proposal affecting security so that we can protect our members and assist the business in finding a sustainable solution to the department for the future.

It is important that all security colleagues within ASDA join GMB to ensure they received trained representation at any future consultation which may occur.

If you work within Security and require representation or need advice, please speak to your local shop steward or visit the GMB Members' Support Centre at [www.gmb-asda.com/support](http://www.gmb-asda.com/support)

Regards

*Martin Hall*
