National Joint Bulletin July 2013 – No 2

HMRC UPDATE

Dear Colleagues

We will be providing up to date advice to members early the week beginning 29th July. As you would expect we are taking legal advice on your behalf.

Individuals are liable for any underpayment of tax as per previous bulletins but GMB is going to do all we can to hold those responsible for this mess to account.

Members will be kept advised of developments.

Yours Sincerely

Mick Rix

GMB National Officer
