

## Mary Macarthur Award

Colleagues

On behalf of ASDA GMB London Region I would like to congratulate Helena Sharpe who received the Mary Macarthur runner up award on 4<sup>th</sup> June at GMB Congress in Plymouth

The award was presented to Helena by GMB's General Secretary Tim Roache and President Mary Turner.

Helena received the award for the work she has undertaken supporting our GMB members within the ASDA Luton store following the devastating fire on 6<sup>th</sup> March 2017.

I have spoken personally to Helena who informed me ***"I am dedicated to improving the Health and Safety in my workplace, there is no excuse for poor Health & Safety within ASDA. ASDA Have robust Health & Safety guidelines and they should be followed by all colleagues and managers."***

Helena is truly inspirational, she is a credit to GMB and all the members she supports.

Remember it is the responsibility of all colleagues in ASDA to report and correct, where possible, breaches of Health & Safety.

Please inform your manager and GMB Steward if you have ANY concerns with Health & Safety within your store.

Regards

*Angie Tidy*
