

Attention **GMB** Members in **ASDA STORES**

February 2015

HOLIDAY PAY RATES

Dear Colleagues,

A series of meetings have taken place at a National level to discuss the issue of paying an average rate of pay for holiday hours. Those colleagues who would potentially benefit would be those that work hours that are in addition to their contract hours or "overtime hours".

GMB is optimistic that an agreement will be reached and Stores will become consistent with colleagues in Asda Logistic Services.

GMB will also be looking to secure back payment for those potentially affected by underpayments relating to holiday pay.

GMB will only be securing back payment for GMB members, but it is essential that you place your name on our regional register, if you have not done so already.

Please register using the contact details below, giving your name, store, department, full contact details and membership number.

We will of course keep you fully updated of any developments.

Yours sincerely,

Keith Dixon
