GMB YOUR VOICE IN ASDA

July Payday - Missing Pay?

Colleagues,

We have been made aware of an issue with many of our members missing out on Week 4 pay for this pay cycle. GMB London Region have since been in discussion with Asda, who confirmed that they are aware of the issue and working to resolve it as soon as possible at a national level. This is likely to be in the form of interim payments.

It appears that the majority of these cases involve colleagues who are in the process of moving to Contract 6, however we would still advise all members check their payslips and highlight to their line manager or People Trading Manager if they are also missing pay.

GMB London Region will be highlighting to Asda senior management in our next meeting that a loss of pay of this magnitude and for so many of our members is absolutely unacceptable and action must be taken to ensure this cannot happen again. Many of our members live hand to mouth and any loss of earnings will significantly hinder their ability to pay their rent and feed their families.

Members who have suffered a cost or other complications due to not receiving their full pay should raise this from their People Trading Manager and refer to their GMB Shop Steward for support and advice.

If you need support, advice or representation, or have a query that you would like answered, speak to your local GMB Shop Steward or alternatively visit our GMB Members' Support Centre at www.gmb-asda.com/support
